3 Questions to Ask About Lung Cancer Screening

Do I Qualify for a Yearly Scan?

- Ask your provider to add up your pack-years
- Ask whether your quit date still counts

What if the Scan Finds a Spot?

- Ask what follow-up tests could involve
- Ask how often spots turn out not to be cancer

Will My Plan Cover It?

- Ask whether your plan covers it in-network
- Ask if Medicare needs a visit first
- Ask where you can get the scan
