ADHD Medicine Out of Stock? 3 Things to Know

Ask Your Pharmacy

- Is another strength in stock?
- Is a generic from another maker available?
- Call before your supply runs out

Other Medicine Choices

- Amphetamine or methylphenidate family
- Strattera or Qelbree for adults
- Wellbutrin, often with depression

Plan Ahead

- Each fill needs a new authorization
- Refills are not allowed
- Talk with your prescriber early
