Changing GLP-1s Safely: 3 Questions to Ask

Why People Switch

- Insurance coverage changes
- Side effects
- A plateau in results

Before You Switch

- Let your prescriber write the switch
- Online dose charts can mix up pens
- Ask how to use the new pen or vial

Questions for Your Prescriber

- Which brand does my plan cover?
- What dose will I start on?
- How will we step up from there?
