Is Monthly Sublocade Right for You? 3 Things to Ask

HOPE

Ask About Your Schedule

- Are daily doses hard to keep up?
- Would one injection a month help?
- Talk it through with your provider

HOPE

Ask How to Begin

- Most take daily buprenorphine first
- Then switch once stable
- Ask how long that takes for you

HOPE

Ask About Support

- Counseling is part of MAT
- Ask about your visit schedule
- Share any worries openly
